

NCAA March Madness Lucky Numbers Contest

Entry fee is \$60

You will receive one winning number and one losing number. If any game finishes with a winning and losing score that matches your winning and losing numbers, then you win that game.

Example:

- Your winning number: 2
- Your losing number: 0
- You would win a game that ends 82-80.
- You would **NOT** win a game that ends 80-72.

Each entry can win multiple times.
